Download

exe download onto your computer. 3. After the download is complete, right-click the icon and run the.exe file. 4. Follow the instructions on the screen. 5. The program will begin to install. 6. Upon completion the program will open to welcome you. 7. Click 'yes' when prompted. 8. The Sniper Elite 3 installer will start to run on your computer. 9. During the installation process, you will see a window with a black background and blue text, asking you to allow the game to start after the installation. 10. Click 'Yes' to allow the game to start after the installation is completed. 11. Once the installation has completed successfully, you will be prompted to restart your PC. Click 'yes' to restart the PC. 12. Upon successful restart, you will be presented with the main menu. 13. Click the 'NEW GAME' button to start the game. 14. If the game is installed correctly, you will be able to play the game. USAGE 1. Spawn your character into the game. 2. After entering the character name, press the 'F' key to unlock your character menu. 3. Use the left and right arrows on the keyboard to move your character. 4. Press 'ENTER' to select. 5. Press

'ESC' to back out of the menu. 6. The left mouse button will select your weapons, and the right mouse button will unselect it. 7. Click your desired weapon to deploy it. 8. You may also select the scope view by pressing the 'SHIFT' key. 9. You may select whether you want to equip a backpack or bandolier, and the size of it. 10. Press 'ENTER' to accept the selection. 11. When you see the yellow check mark on the character model, you will be able to hear the sound effect of the selected weapon. 12. To reload, select the weapon that you wish to reload and press 'R'. 13. You may also select whether to show or hide the side panel, use the panoramic map, and choose the zoom level. 14. Press 'ENTER' to accept the selection. 15. You will now be able to start the game. 16. Once you start the game, you may immediately press the 'B' key to open the backpack. 17 82157476af
