## About This Game

### **Story:**

Classical platformer inspired by early NES games, telling a story about hardships of Mr. Zulin: video blogger, sex symbol, and simply a swell guy.

Take control over his 8-bit incarnation to save his old friend better known as "the dude from Devastation". Be prepared, for on your journey you will personally behold 3 picturesque locations, 12 levels, explosive gameplay and gallons of varicolored blood. Truly! It's time for Zulin Time!

### **Key Features:**

- 
- Pleasant computer synthesized chiptune soundtrack generated using unique software - TrickComposer 1.4 authored by The Trick
  - Original NES 64-color palette
  - 3 picturesque locations
  - 12 levels
  - Fun minigames
  - Tons of secrets
  - More than 10 skins that can be unlocked by earning specific achievements
  - Parody story created in the spirit of early NES games
  - 3 bosses with unique styles of combat
  - Unconventional enemy AI that adapts to your playstyle in order to get even deeper under your skin
  - Blood splatter generation system
  - Cozy hub area to listen music and relax before rushing into boss battles
  - Mr. Zulin as a main protagonist
  - Full support for both widescreen (16:9) and standard (4:3) aspect ratio
  - Full controller support, including vibration (optional)

### **Message from the developer:**

Greetings! My name is Mikhail. I'm the creator of Zulin Time. First and foremost, I'd like to thank you for choosing my game. I

---

hope you like it and have lots of fun playing it. To be honest, I've been waiting for someone to create a game like this for quite a while, alas no one did... Thus, I had to take matters into my own hands! Plus, I just love making games and hope to have a chance to bring more of my ideas to life. Thank you for giving me this opportunity!

---
